Booking software we are considering to use: <http://www.checkfront.com> (But we are open for other suggestions).

Unique “features” we require as part of this project:

1. Integrating the booking software with an email system so that every tour participant would get an email with online feedback form to fill, and these reviews would be automatically added to the reviews of that specific tour, and there will be an automatic rating system. Reference: <http://www.darkrome.com/tours/rome-tours/colosseum-coliseum-ancient-rome-tour#maintab>
2. That the developer develops an integration with the booking software API to develop a form as here: www.myvaticantours.com
3. CMS platform where we can easily add/change content ourselves
4. The company is launching only one tour but the design and development should support adding additional tours to the website easily.
5. Integration of the different forms in the website (subscription to the blog, contact us form) with an email system.

Do your tours have anything to offer a native Chicagoan?

What if I have dietary restrictions or allergies?

Is the tour wheelchair and baby stroller accessible?

Do I have to purchase tickets in advance? Can I pay cash?

Tickets must be purchased in advance as the Gold [Gold Coast and Old Town Food Tour](#), [Bucktown/Wicker Park Food Tour](#) and [Chinatown Food Tour](#) typically sell out quickly ahead of time. To maximize your chances of getting the day, time, and number of tickets you prefer, please book well in advance. Tickets can only be purchased with a Visa, AMEX, or MasterCard from [Zerve Ticket Center](#), or by calling [\(312\) 445-9948](#) or [\(800\) 979-3370](#). Cash is not accepted.

Do I need to purchase a ticket if I'm not eating?

Yes- all guests must purchase a ticket whether they plan to partake in the food tastings or not. Non-paying individuals will not be able to join the tour for any reason(s). The ticket fees help cover the costs of all the food samplings and also to pay for your tour guide(s) wages, whom are offering valuable commentary on historical, architectural, cultural and restaurant information during the 3-hour tour.

If a food tour is sold out, can I get on a waiting list?

We do not provide a waiting list. If a date and time is sold out, there is always a good chance that we will add an additional tour on that day. Please [email us](#) to let us know what date you are interested in if you do not see availability.

Are gift certificates available?

Yes, [Chicago Food Planet Gift Certificates](#) are available for all tours offered. To purchase or learn more about our Gift Certificates, please call Zerve at [\(312\) 445-9948](#), or [\(800\) 979-3370](#), or visit our [Zerve Gift Certificates](#) page.
